RULES

Only players registered with the Bristol Pool League are eligible to enter.

It is essential all entries include a telephone number. Pub or club numbers are not acceptable. It is the responsibility of both pairs to arrange the match within the given timescale. Failure to deliver a result by the given deadline will mean both pairs being automatically eliminated from the competition. Should you have any difficulty in arranging the match, contact the Doubles Competition Organiser in the first instance,

Players who are inflexible with their availability to play matches because of work commitments etc, should not enter this competition, as this reason will not be accepted for the failure to play matches.
