The 2025 Doubles & Doubles Shield Competitions

Official Entry Form to be entered at League Meeting November 7th
Entry fee £5.00 per pair

It is the responsibility of the HOME pair to arrange the match. The home pair must contact the away pair within 7 days of the draw being made available online (usually the Sunday following the previous rounds deadline). Should the away pair fail to respond within another 7 days, the home pair must immediately contact the Doubles competition organiser who will then take action. Likewise, should the away pair receive no contact from the home pair within the first 7 days, the away pair should contact the Doubles organiser. Should a match not be played by the deadline, the Doubles organiser will use any of the above evidence to determine which pair, or both, should be eliminated from the competition.

Doubles competition organiser **Kevin Cozens, 07801155321.**

Players who are inflexible with their availability to play matches because of work commitments etc, should not enter this competition, as this reason will not be accepted for the failure to play matches. Only players registered with the Bristol Pool League are eligible to enter.
